

**École George Jay Elementary Protocol and Consent Form September 2019**

Please refer to our website at [www.georgejay.sd61.bc.ca/student-info-2/forms/](http://www.georgejay.sd61.bc.ca/student-info-2/forms/) and read through each document thoroughly.

When you have finished reading through the various informational pages, please fill out the top of this form with your child's name and classroom teacher (one per family). We also need you to check the boxes below, as appropriate for your child, then sign off at the bottom and **return this form** to your child's classroom teacher. This form streamlines the process we have gone through previously where parents have had to sign a multitude of different forms individually. We are also trying to be more environmentally friendly by not sending home a large paper package. *If you need access to a computer or the internet, please use the computers provided in the Parent Room.*
