

Breakfast Program Registration Form

Welcome to the George Jay Breakfast program! We are fortunate here to be able to serve a full breakfast to students each morning. This is a free program available for registered students only.

The breakfast program starts at 8:30am and is served until 8:55am. The school does not open until 8:30, so we kindly ask that students and families stay outside until the doors are opened. All participating students are asked to sit at the provided tables and keep all food in the gym. Unfortunately, no allergies or food preferences can be accommodated.

Please fill in the form below and return it to the gym. If you have any questions or concerns, please see Cathy in the gym during the Breakfast Program time.

Thank you,

Cathy Carter
